

USE & CARE INSTRUCTIONS

Serve Any Seed: The unique ports allow you to serve sunflower, mixed seed or Nyjer® (Thistle).

Use the Included Thistle Ring to Serve Nyjer® and Attract Finches: Insert thistle ring, pointed side down, into the raised part of the basin with the feeding ports until the ports are fully covered by the tines. Screw basin onto the bottle until secure. Turn feeder upright and hang.

Convert the Feeder to a Finch Feeder with the thistle ring

EASY TO CLEAN No Tools Required

Our feeders easily disassemble for complete cleaning.

To Clean the Feeder:

Step 1: Unscrew the metal top and the metal basin from the glass bottle.

Step 2: Clean the bottle with warm water and a mild anti-bacterial soap. Rinse thoroughly and let dry completely.

Reassemble Feeder: Screw the top and basin back onto the bottle.

Note: If using the thistle ring, remove it before cleaning.
